

The following items are required for IT210 Business Applications with C++

1. Two USB 2.0 Flash /Jump drives are required

A large storage capacity (512 MB or above) drive is required to store in class programs and a low storage capacity drive (128 MB or above) is required to submit program assignments. Office Max, Office Depot, and Target usually have 8 to 16GB flash drives on sale for good prices. You may purchase from any location of your choice

2. One Clear Front Report Cover with 2 or 3 fasteners. Office Max is the best place to find this.

While they come in a 5 pack, you need only one clear front report cover for all your assignments. OfficeMax Durable Clear Front Report Covers with 3 tan fasteners hold letter-size 8-1/2" x 11" documents, (5 pack),
